

2025 DIRECTORY DOMINATION

Quick Start Checklist

- Download the ZIP file from the WarriorPlus.com “Purchase History” area onto your computer.
 - Be sure to unzip it as there are many files included inside the zip file.
- Review the reports, content, etc. and customize as needed.
- Review the PowerPoint Presentation and customize as needed.
- Review the Playbook and customize as needed.
- Review Postcards and customize as needed (if you purchased the Marketing Kit). You can do this yourself with Canva (or Photoshop) or have someone do it for you – check Fiverr.com for the best deals.
- Install the Lead-Gen/Sales Funnel using the [Systeme.io shared funnel link](#).
- Review the “3 Ways to Profit” and the “Best Practices” reports for ideas of how to make money with this product.
- Develop your plan and take action each day to reach it!
